

Billing Instructions for Basic Plus Patients

Patients on the Basic Plus health plan have two cards: one from Anthem Blue Cross and one from Basic Plus.

- **Major medical services**, including office-based surgery, should be billed primary to **Anthem**. After you receive an Explanation of Benefits from Anthem, any unpaid amounts should be billed secondary to Basic Plus.
- **Routine care**, such as physician office visits, should be billed to **Basic Plus**.

The lists below show the services covered by each card. For billing questions, call **Basic Plus Customer Service** at **800-548-7677, option 2**.
